THE ENTRIES MADE

They Have More Than Met the Expectations.

CREAT. INTEREST SHOWN

The Classic Copper City Handicap Will Be Run Monday, July Fifth—Montana Well Represented.

The following entries for running stakes at the Anaconda track have fully met all expectations, as the list will show. It is also shown that a great interest has been created in the state, which is showing its ability to raise horses. The classic Copper City handicap will occur Monday, July 5, instead of as usual on the Fourth, the latter being Sunday. Among the well known horses entered for this race may be mentioned Benson & Arthur's David, Marcus Daly's Senator Bland and Marietta, F. McDermott's Walter L. Barney McGinley's St. Jacob, W. D. Randall's Salvation and Ostrer Joe, and B. Schreiber's Aquinas. The entries for Ravalli stakes for 2-year-olds will make a hot race. There have been entered for this race May W., Aquinas, Jim Blackburn and others, nearly all of whom have got brackets in the 2-year-old form. There will also be two untried ones from the Daly stables, Oak Leaf and Cherry Leaf.

The trotting and pacing entries closed Saturday and the association expects to surprise everybody with the number of stables entered but are not yet ready for announcement.

The entries for the running stakes are:

PROFESSOR J. M. MUNYON.

Munyon's Medical Institution, 1265 Arch street, Philadelphia, Pa., is the best one of its kind in the world. It employs a large staff of skilled specialists to diagnose the cases not only of people applying personally for treatment, but those in all parts of the country who send in personal letters, asking the best methods of being cured of various diseases. Thousands of these letters are received every week, and a staff of from ten to fifteen doctors are daily employed in dictating replies through the medium of as many stenographers. These letters are received in the strictest confidence and promptly answered with the best medical advice obtainable. No effort will be spared to see that each case is thoroughly diagnosed and the proper remedies to effect a cure are prescribed. For these services no fee is expected. Prof. Munyon puts up a separate cure for each disease. At all druggists, mostly 25 cents a vial.

A Great Bargain

Owing to my inability to successfully conduct my store and ranch at the same time, I have concluded to offer my ranch for sale at a great sacrifice. It is located five miles east of Anaconda and one mile north of Warm Springs, contains 529 acres under fence, water rights, residence and sufficient outbuildings. I will sell with improvements for \$4,500; \$2,000 cash, balance on time. It is just the place for the dairy business, good markets being near at hand. The price is a trifle less than \$8 per acre and less than I paid for it. Title unquestionable. Apply or address Peter Lansing, Deer Lodge, Mont.
